

## CURRICULUM VITAE

### PERSONAL INFORMATION

Name **MARCONICCHIO, FRANCO**  
Address [REDACTED]  
Telephone [REDACTED]  
E-mail [REDACTED]  
Nationality **Italian**

### WORK EXPERIENCE

- Dates
  - Type of business or sector
  - Occupation or position held
  - Main activities and responsibilities
- JAN 2008 – PRESENT**  
Consultant on Space Systems design and exploitation  
Senior Advisor of Italian Space Agency (ASI) [www.asi.it](http://www.asi.it)  
Navigation, Earth Observation and Telecommunication Programs  
Dual use missions definition and implementation, Space Security related issues  
Earth Observation Products cost definition and market assessment  
PPP preliminary study for the New Telecommunication program  
Dual use Telecom Project business case development  
National Galileo Test Range business case ad PPP evaluation  
Member of ASI Broad Band Satellite Communication Task Force  
Member of inter ministerial group for Earth Observation Data Policy  
Member of inter ministerial Directive Board for Dual use space projects
- Dates
  - Name and address of employer
  - Type of business or sector
  - Occupation or position held
  - Main activities and responsibilities
- SEPT 2003 – DEC 2007**  
Italian Space Agency (ASI)  
Space Activity Supervision and Control  
Inspector General  
Internal Auditing, Management Control  
Application of policies, procedures, plans, laws and regulations  
Fulfillment of program/operating goals and objectives  
Product quality and performance evaluation
- Dates
  - Name and address of employer
  - Type of business or sector
  - Occupation or position held
  - Main activities and responsibilities
- 2000 – AUG 2003**  
Italian Space Agency (ASI)  
Engineering  
Head of Unit - Engineering, Quality and Cost Analysis  
Feasibility studies on new missions, cost assessment and analysis, standards and procedures, quality control and Product Assurance  
CosmoSkyMed E.O. program overall cost assessment  
Member of ESA Telecommunications and Navigation Board  
Member of EU Galileo Steering Committee and Galileo Special Negotiation Committee
- Dates
  - Name and address of employer
  - Type of business or sector
  - Occupation or position held
  - Main activities and responsibilities
- 1997 – 2000**  
Italian Space Agency (ASI)  
Strategies, Financial and Economic Affairs, SME, Industrial Policy  
Head of Unit - Strategies and Economic Affairs  
Strategic Development, Business Plan evaluation, Industrial Policy implementation, SME dedicated call and Technology Transfer projects, PPP studies on Navigation and Earth Observation Projects  
Procurement and service contracts negotiation with international Organizations  
Member of ESA Industrial Policy Committee (IPC)  
Chairman of Tender Evaluation Boards in Calls for navigation and telecom projects

- Dates
- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

**1989 – 1996**

Italian Space Agency (ASI)  
 Telecommunication  
 Director of ITALSAT Telecommunication Program  
 Management of the two satellites program  
 Technical supervision  
 Development, launch and in orbit exploitation, contractual negotiations and management  
 Cost and technical performance assessment  
 Launcher and insurance contracts negotiation and management  
 In orbit routine operations and mission management  
 Technical cooperation with COMSAT / INMARSAT / EUTELSAT  
 Member of ESA Joint Telecommunication Board (JCB)

- Dates
- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

**1977 - 1988**

National Research Council – National Space Plan [www.cnr.it](http://www.cnr.it)  
 Telecommunication Projects and Technologies  
 Program Manager  
 ITALSAT phase A program Manager  
 Manager of several telecom application and research projects  
 National Telecommunication Plan development

- Dates
- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

**1970 - 1977**

National Research Council – Space Activity Service  
 Satellite system, subsystems and payload design and qualification  
 Project manager  
 SIRIO satellite system and subsystems design, PL, test and qualification  
 Launcher interface, In Orbit Test, Telecommunications experiments

**PROFESSIONAL ASSOCIATION  
AND AWARDS**

Up to 2008, Member of International Institute of Communications (IIC) of Genova  
[www.iicgenova.it](http://www.iicgenova.it)  
 Up to 2003, Member of Telecommunication Superior Council of Ministry of Telecommunications  
 Awards for the successful launch and operations of ITALSAT F1  
 “C. Columbus” gold medal for achievements in Space Communications  
 Member of Ka Conference Organizing and Technical Committees [www.kaconf.org](http://www.kaconf.org)

**EDUCATION AND TRAINING**

- Dates
- Name and type of organization
  - Title of qualification awarded
  - Dates
- Name and type of organization
  - Title of qualification awarded
  - Dates
- Name and type of organization
  - Title of qualification awarded

**1970**

ESA  
 Summer school in Space technology

**1968**

University of Rome “La Sapienza”  
 Doctor Degree in Aerospace engineering

**1965**

University of Rome “La Sapienza”  
 Doctor degree in electronic Engineering

**PUBLICATIONS**

Author of several technical publications in space communications technology and systems (see Google Scholar.it)
