MILAN

CANDIDATE CITY TO HOST THE INTERNATIONAL ASTRONAUTICAL CONGRESS

RESPONSIBLE SPACE FOR SUSTAINABILITY

MICO Milano Convention Centre
11-18 October 2024

MICO – MILANO CONVENTION CENTRE

Launched in 2002 and doubled in size in 2005, the current extension places MiCo as the largest Convention Centre in Europe. Designed by Mario Bellini, it's able to accommodate up to 21.000 people in 70 meeting rooms, a multifunctional auditorium, two plenary rooms seating 4,000 and 2.000 people and a total exhibition space of 54,000 sqm.

MiCo is among the most advanced congress centers in the world in terms of use of technology: all the conference rooms are equipped with state-of-the-art video projectors, sound system, translator booths, fixed video cameras, closed circuit TV, Wi-Fi internet access and optical fiber cables. Conveniently located in the heart of Milan, the venue has a parking lot for more than 1,100 cars, a heliport and direct access to Milan's Subway line 5.

LOMBARDY

ATTILIO FONTANA - President of Regione Lombardia

«As President of Lombardy Region, I am pleased to confirm that the Regional Government would like to thank you for considering Milan, chief city of Lombardy, as a possible destination for IAC 2024. Lombardy is one of world's advanced centers of research, where major Universities are based and where scientific excellence is constantly being created. It is at the heart of a vibrant regional ecosystem of the life sciences and technology. From Como Lake to Milan monuments, from Valtellina mountains to the several ancient castles all around the Region, everyone will find here an experience to remember and your delegates will receive the warmest welcome...»

1. MILANO: A CITY DEDICATED TO RESEARCH AND SCIENCE

Milano is a city of excellence in the field of sciences and research, and it can rely on prestigious universities and the well-known Brera Academy.

2. ACCESSIBILITY

With its three airports (Linate, Malpensa, Orio al Serio) Milan is one of the best-connected international cities in the world.

3. WIDE ACCOMMODATION OFFER

Milano offers a wide choice of hotels and accommodation facilities, providing 43.000 hotels rooms.

4. MILANO: AN INESTIMABLE ARTISTIC HERITAGE

Milano, Italy's most industrious and lively city, is rich in history and culture and is home to inestimable artistic masterpiece famous all around the world.

GIUSEPPE SALA - Mayor of Milan

«...Delegates arriving in Milan to participate in such event can both make the most of their professional opportunity and visit one of Europe's most creative and interesting cities: at the same time a great Italian city of art with history, heritage and tradition and a vibrant modern city of innovation and cultural change...»

In the event of our city being chosen for Your Congress, I can assure you that your delegates will receive the warmest welcome and that my Administration will be at your disposal to at your disposal to make the IAC 2024 an unforgettable event...»

THE SPACE & IAC

Since 1956 IAC in Rome, the Italian space community has continuously grown. Today, Italy is the 6th leading global space power and 4th IAC contributor concerning accepted abstracts.
